Scheduled PTO

When an employee knows in advance they will be taking time off and requests approval of the date in writing on the Town of Newton Request for PTO form, from their supervisor as far in advance as possible. The supervisor shall promptly approve or disapprove the request, sign the form and returned it to the employee. If disapproved the reason why shall be noted on the form by the supervisor.

Unscheduled PTO

When an unforeseeable situation arises that prevents the employee from reporting to work. The employee is responsible for notifying their supervisor within one half hour of their normal start time that they will be out of work and when they expect to return. The use of unscheduled PTO is expected to be reserved for emergencies.

Amount of Paid Time Off

The amount of paid time off each employee is entitled to per year, is determined by length of employment with the Town of Newton as shown by the following chart. (Amended January 7, 2002)

<u>Years of Service</u>	<u>PTO Eligibility (in days)</u>
1-4	20 days
5-6	25 days
7-8	26 days
9-10	27 days
11-12	28 days
13-14	29 days
15 +	30 days

First Year of Employment

The amount of PTO allowed during the first year of full-time employment with the Town is calculated by months. Date of hire must be on or prior to the 15th of the month for that month to be used in calculating PTO. After sixty days of employment, employees will earn 13.33 hours per month of PTO. The 13.33 PTO hours allowed each month starts accumulating at the end of the month. (Amended March 19, 2001) On the next calendar year starting (Jan.1) after an employee has been employed for one year, PTO will be calculated as shown on the above chart.

(Amended February 24, 2003)

Borrowing PTO From Subsequent Years

PTO may not be borrowed from subsequent years under any circumstances.

Carry Over

PTO may not be carried forward from one year into the next with two exceptions. New employees, who have less than six months service with the Town as of Jan. 1, may carry all of their time into the next year. The second exception is when special circumstances have prevented an employee from using their PTO; the Board of Selectmen may approve carrying time into the next year upon written request. (Amended November 2, 2009)

Banking of PTO

Employees may choose to put up to ten days per year of unused PTO into a “bank account” of time to be used for long term illness. This account may accumulate to a maximum of ninety days. Time may be drawn out of this account only after all current PTO has been exhausted.

Status Of PTO Upon Termination

The Town will pay for up to two weeks of unused PTO upon termination for any reason on a quarterly, pro-rated basis. Example: If an employee left in January, he/she would be entitled to be paid ¼ of their two weeks (10 days) for the current year. i.e. 10 days PTO would allow the employee to be paid for 2½ days PTO pay upon termination. (Amended November 2, 2009) This applies to current PTO only and not to “Banked” PTO.
